Description

Extended product overview

The Maldini High Back Office Chair is the ultimate solution for anyone looking for comfort and support in their workspace. With a breathable back mesh, this chair promotes air circulation to keep you cool and comfortable throughout the day. The height and tilt adjustable headrest ensures full body support, while the 1D height adjustable arms provide added comfort and flexibility. The seat slide feature allows users with longer legs to adjust the depth of the seat for a perfect fit. The Synchro 4 mechanism with torsion control ensures a smooth and effortless recline, making it easy to find your ideal working position. Invest in the Maldini High Back Office Chair for a comfortable and productive workday.
