Important highlights of this product

- Large seat, shaped kidney foam with an inflatable lumbar pump for support
- Seat slide and height adjustable ratchet back to accommodate all users
- Height and width adjustable arms with soft touch arm pads
- Backrest and seat angle can be fixed or set to free float in 2:1 ratio
- Tilt-tension control knob underneath seat so you can adjust tilt firmness to match your bodyweight
- 5 star, height adjustable swivel base with castors

Description

Extended product overview

The Maxi Ergo Chair with Lumbar Pump and Adjustable Arms is a must-have for anyone who spends up to 8 hours a day at a desk. This chair is supportive and long-wearing, ensuring that you stay comfortable and productive throughout your workday. The ratchet back allows you to adjust the backrest to perfectly fit your back shape and position, while the adjustable arms provide added support and comfort. The lumbar pump ensures that your lower back is properly supported, reducing the risk of back pain and discomfort. The Asynchro seat mechanism allows you to adjust the seat angle and height to your liking, further enhancing your comfort. Invest in the Maxi Ergo Chair and enjoy a comfortable, productive workday every day.
