Key Features

Important highlights of this product

- Large seat, shaped kidney foam with an inflatable lumbar pump for support
- Seat slide and height adjustable ratchet back to accommodate all users
- Fixed plastic arms
- Backrest and seat angle can be fixed or set to free float in 2:1 ratio
- Tilt-tension control knob underneath seat so you can adjust tilt firmness to match your bodyweight
- 5 star, height adjustable swivel base with castors

Description

Extended product overview

Introducing the Maxi Ergo Chair With Lumbar Pump + Fixed Arms, the ultimate solution for those who spend up to 8 hours working. This chair is designed to provide maximum support and comfort, ensuring that you can work for longer periods without experiencing any discomfort. The ratchet back allows the backrest to curve to your back shape, ensuring that it is at the correct position for optimum support. The fixed arms provide additional support for your arms and shoulders, while the lumbar support ensures that your lower back is properly supported. With an asynchro seat mechanism, you can easily adjust the height and angle of the seat to your liking. This chair is built to last, with high-quality materials that are long-wearing and durable. Say goodbye to discomfort and hello to productivity with the Maxi Ergo Chair With Lumbar Pump + Fixed Arms.
