## Key Features

Important highlights of this product

- Height adjustable backrest can be adjusted via the ratchet mechanism
- Asynchro mechanism: seat and backrest recline angle can be fixed independently of each other or set to free-float.
- Height and width adjustable arms with soft touch detail
- 5 star, height adjustable swivel base with castors
- Tilt-tension control knob underneath seat so you can adjust tilt firmness to match your bodyweight
- Available in a variety of colour and material options

## Description

Extended product overview

The Panther Executive Leather Office Chair is a physio approved office chair that offers a range of benefits to its users. With a high ratchet back and thick foam, this chair provides exceptional comfort levels throughout the day. The 2 dimensional adjustable arms included as standard ensure good posture, while the thick, moulded seat is designed for lengthy use. The heavy duty mechanism controls allow the user to select their own preference, making it a versatile and customizable option. With its sleek leather design, this chair is perfect for any office setting and is sure to boost productivity and comfort levels.
