## Description

Extended product overview

Poly Blackwire 3225 Stereo UC USB-C/A +3.5mm Headset Freedom to work your way. The Blackwire 3200 Series provides a quality audio experience in a headset that is built for enterprise needs. With a sleek design and flexible microphone boom for a customizable fit, what is not to love. Dynamic EQ optimizes the quality of your voice on calls, and automatically adjusts the EQ settings when you want high-quality sound for listening to music or for multimedia playback Enhanced connectivity for your devices with a USB Type-C cord and tethered USB-A adapter Monaural wearing style for those who prefer to leave one ear open A lightweight metal headband offers durability and a comfortable custom fit Use the intuitive inline controls to answer/end calls, control volume, and mute to simplify call management Conveniently placed indicator lights provide helpful but unobtrusive user call, mute, and volume status This headset was created for communication and is optimized and certified to work with top virtual meeting providers
