Description

Extended product overview

Low-profile, full-size keyboard provides multimedia keys for enhanced productivity and quick access to frequently used applications and files. Ambidextrous mouse is designed to provide all-day comfort for the right or left hand and provides an optical sensor with 1200 DPI for precise control. 2.4GHz USB receiver provides a reliable wireless connection up to 10 metres for the keyboard and mouse. Professional design offers smooth, low-profile keys to make typing more efficient and comfortable. Secure wireless connection protects sensitive data from potential hackers using AES 128-bit encryption technology. Spill-proof keyboard resistant to coffee, water and other liquids. Plug & Play allows you to plug the receiver into your computer's USB port and immediately start using your keyboard and mouse. Optimised for your Windows 11 keyboard and mouse needs. This product is designed to comfortably fit and be effective for users of all hand sizes.
