Laptops have become essential travel companions for most professionals. This has created a variety of productivity challenges, from ergonomic issues, such as poor posture and eye strain, to tech problems like overheating laptops. Supporting the right setup at work, at home and on the move can be challenging. Combining the ergonomic benefits of raising your screen height with the technological benefits of increased air circulation for your laptop, the SmartFit™ Easy Riser™ Laptop Cooling Stand is a practical mobile companion. Accommodating for 12-17" laptops, its 2-in-1 design is height- and angle-adjustable to improve posture, promote proper eye alignment and support neck and shoulder comfort, while promoting airflow to improve battery performance and ease the strain on internal components. Thoughtfully engineered for portability, it is a useful workstation accessory for the modern professional.
