Description

Extended product overview

The Twin Upright Left Hand Radial Desk is the perfect addition to any office space. This cost-effective workstation range offers a variety of wooden desktop finishes with steel legs available in white, silver, or black. The adjustable feet ensure that the desk is level on uneven floors, while the cable ports supplied with all desks keep your workspace organised and clutter-free. The left-hand office desk design is ideal for those who prefer to work with their dominant hand on the left side. With its sleek and modern design, this desk is not only functional but also adds a touch of style to any workspace. Invest in the Twin Upright Left Hand Radial Desk for a comfortable and efficient work environment.
