## Description

Extended product overview

Yealink YHS34 Dual Lite Ideal headset for offices and IP communications Yealink YHS34 Dual Lite is a headband style headset that is designed for office workers and call centre staff. It is compatible with the full range of Yealink IP phones. The ultralight design, thanks to its featherweight materials and foam pads, guarantee perfect comfort for intensive use. Professional features and long life cycle Wideband audio technology provides richer, clearer conversations and reduces listening fatigue. In addition, the ultra noise-cancelling microphone filters out background noise for perfect voice transmission. And its quick disconnect feature offers walk-away convenience, allowing the user to quickly exit for a short period of time or switch to other devices. Yealink YHS34 highlights its unique position in the market with the combination of exceptional comfort, durable life cycle, premium quality and brilliant sound.
